Ligonier High School

Ligonier, Pennsylvania

Motion was created when time began.
 It has prevailed through the darkness of
 antiquity, the light of the Renaissance
 from the prehistoric age to the space age.
 Motion is everywhere—most of all in the
 Ligonier Valley High School.
 Mind and body are in perpetual motion:
 Pledging allegiance to the United States,
 Making friends,
 Contemplating problems,
 Exploring a microscopic world,
 Composing a theme,
 Buying lunch,
 Exercising,
 Rushing to classes -

-Studying,

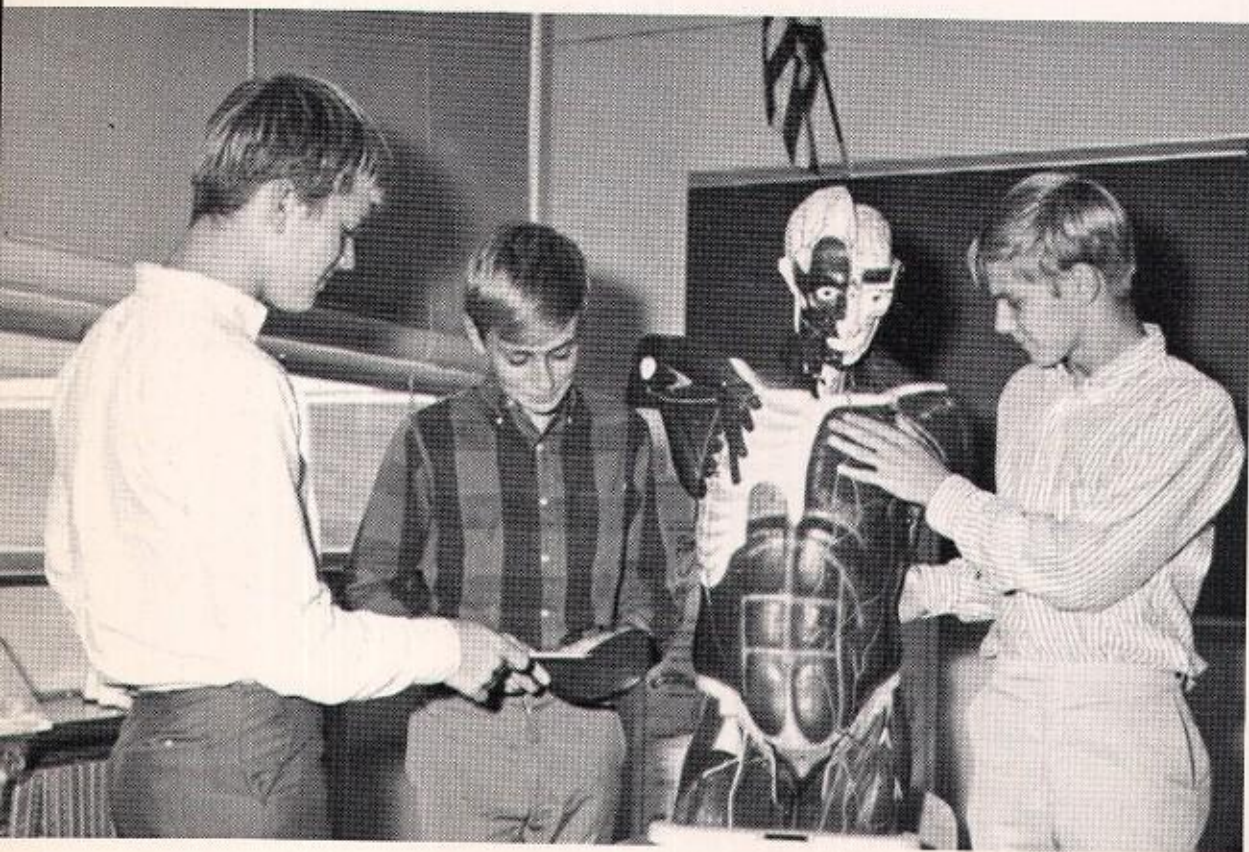

Examining a model of the human body,

Operating machines,

Sewing,

Learning domestic arts,

Typing-

Routine motions of our school
day -

Academic, commercial, voca-
tional, technical motions.

Seniors graduate and end this
motion,

But immediately enter new ex-
periences

Which bring new motion.

Motion is endless.

School Board and Administration

MR. ATWELL M. BOOKMILLER
Associate Superintendent

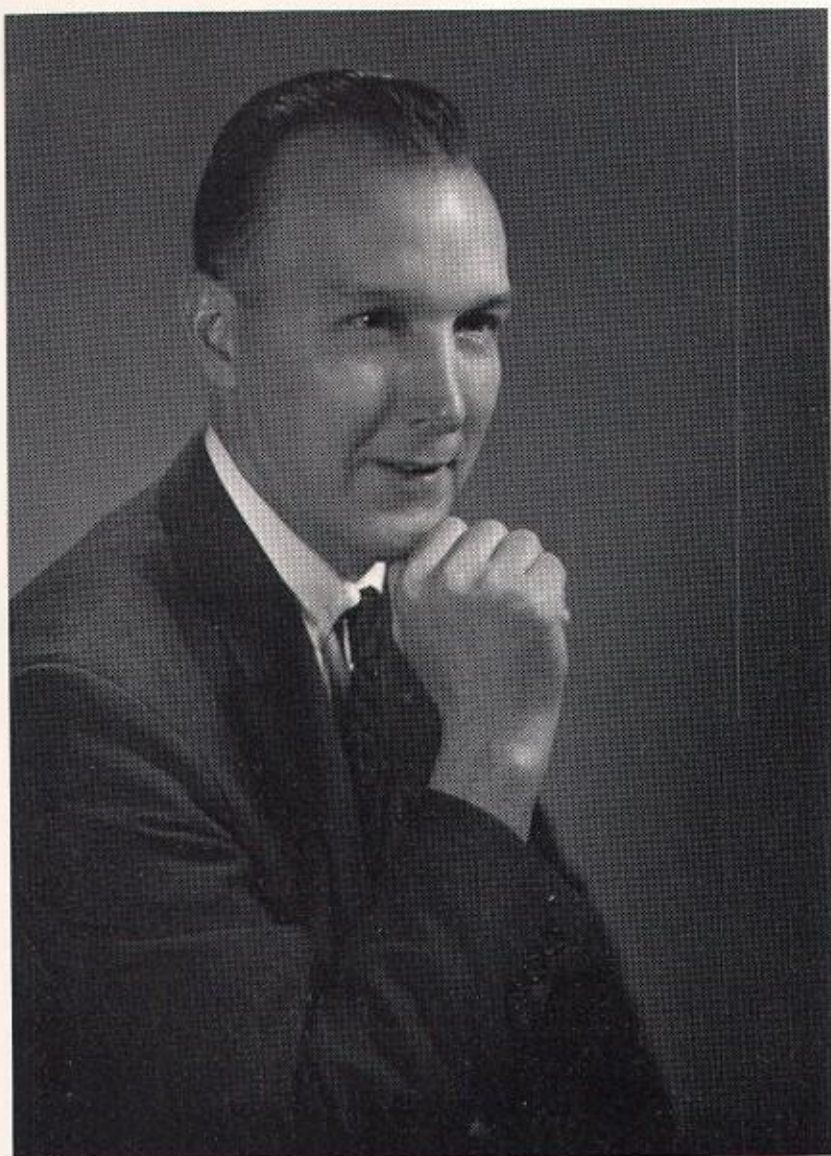

From the earliest elementary grades through the final high school years, the students' education is guided by our capable, hard-working administrators. In the early grades, the major goals are to instill curiosity into inquiring young minds and establish the principles of good citizenship. The junior high years are a time of exploration into new problems and new subjects, when a whole new world of knowledge is opened. In the senior high, the maturing students are encouraged to take pride in their school, in their accomplishments, and in themselves, as maturing young men and women. Throughout this educational span, the students benefit from the understanding and wealth of experience of the administrators. The school board as a policy-making organization is also a vital part of our school system, acting in the interest of the general public. The board establishes the fiscal and educational basis on which the schools of our district operate, and functions to promote the social and intellectual growth of our students.

Vladimir Hartevelt

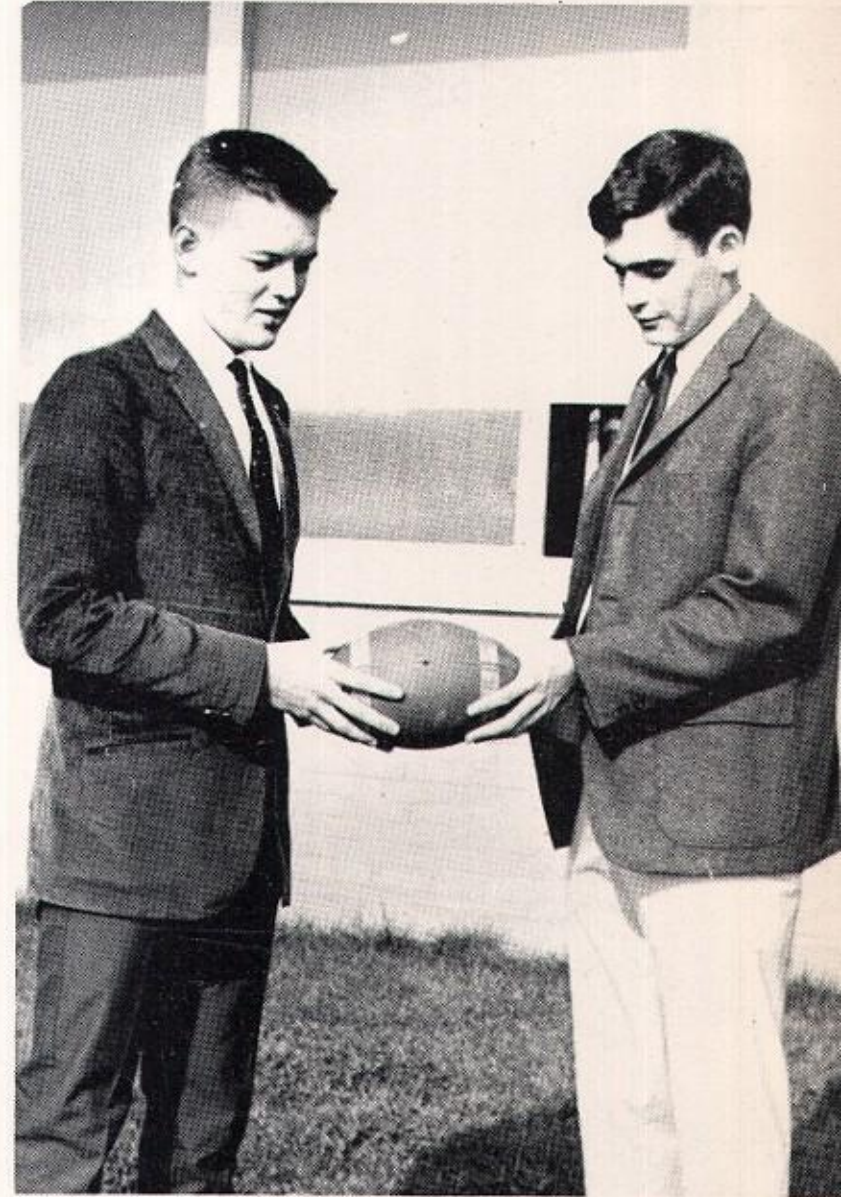

Jim and Vladi select a favorite.

"I was quite surprised when I found Americans driving on the wrong side of the road."

This was Vladi's first impression of America when he arrived from Mount Maungunai, New Zealand. Vladi adapted very well to the American way of life. American schools appeal to him because students aren't required to wear uniforms and there is no corporal punishment. But Vladi does suggest unsupervised study halls for seniors, as at home. His favorite foods here in America are pizza and other Italian Dishes. Pizza isn't very popular in New Zealand. Back home Vladi lettered in Rugby and here, at Ligonier, he was a member of the football squad.

When Vladi returns home, he will finish college, the equivalent of American high schools, and then go on to the University. He anticipates a career in the diplomatic field. When Vladi leaves Ligonier, he will leave many friends. We only hope he enjoyed America as much as we enjoyed him.

Jim explained the rudiments of football before Vladi joined the team.

At home, Vladi surfs year round.

Occupational

Beverly enjoys cooking, and is hard at work.

"Fred enjoys working with cars."

"Try, try, try, again. But, if they fall one more time. . . ."

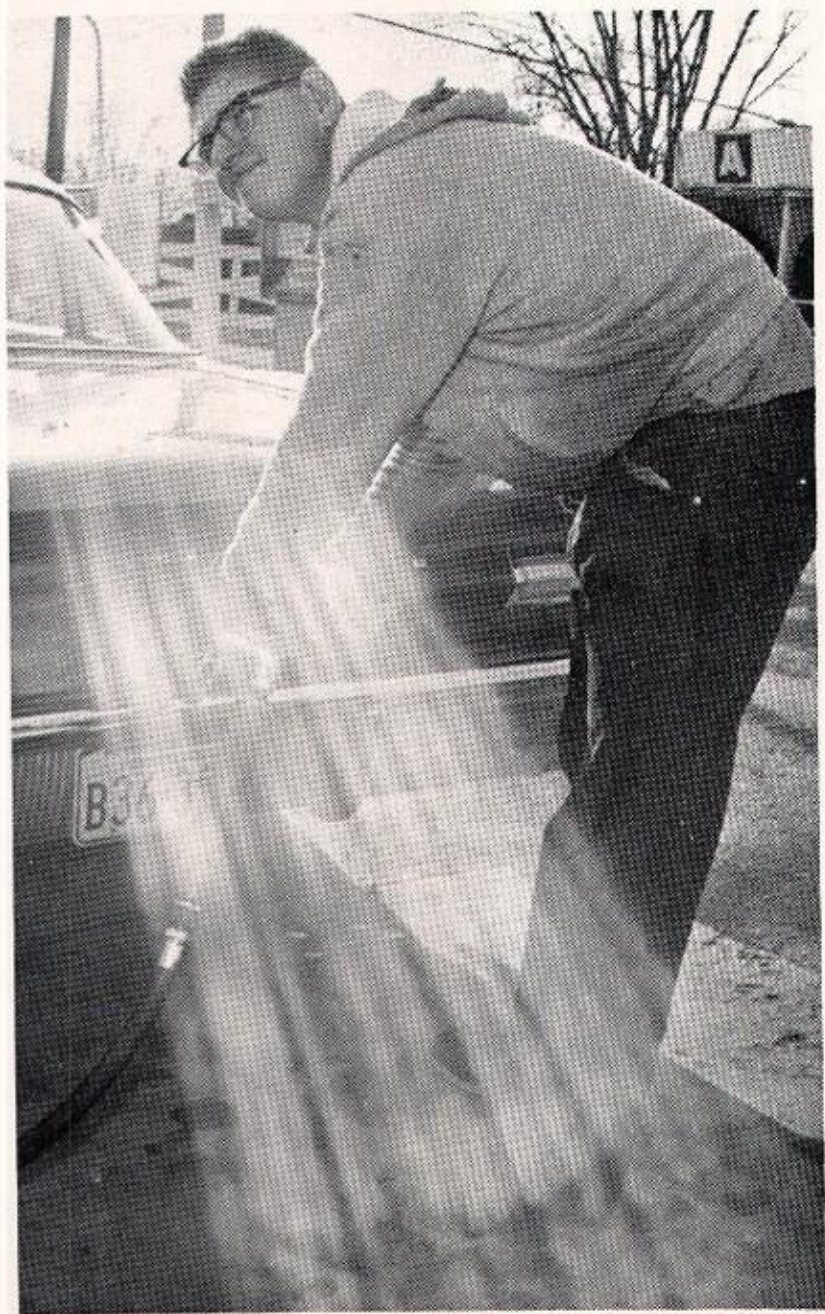

"Thank goodness, only twenty more of these to do."

Education

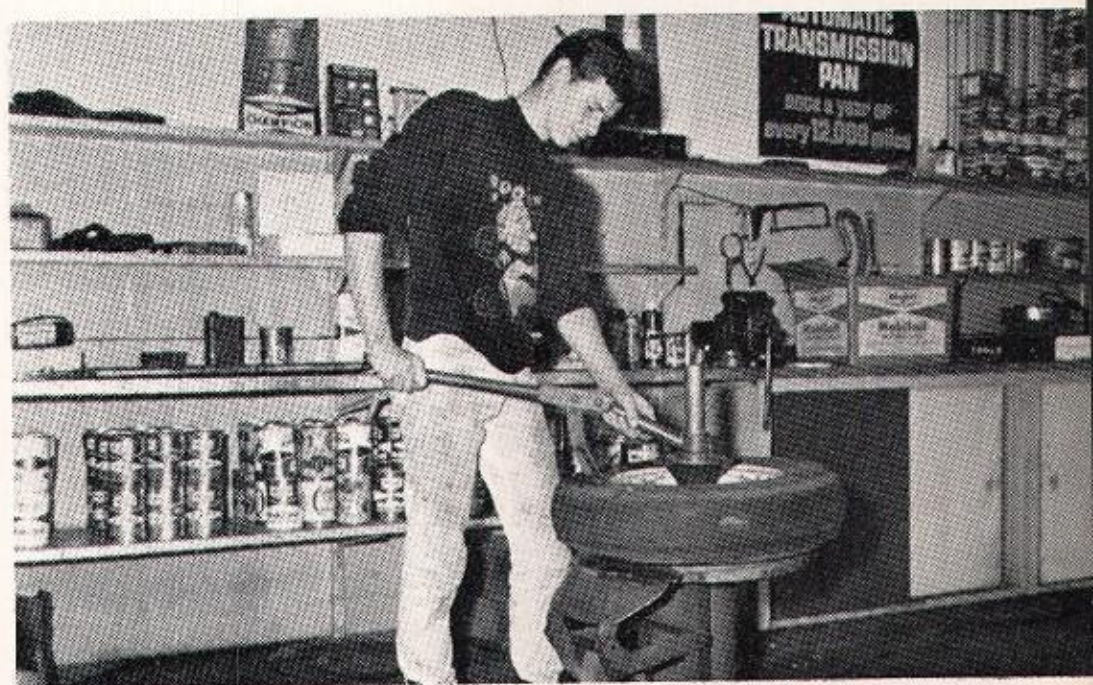

The Occupational Education class enables students to explore numerous jobs in order to choose a career which is best suited to their interests. O. E. students work at their chosen jobs during the morning hours and return for classes in the afternoon. The class is under the supervision of Mr. Patts, who has taken his students on various field trips throughout the year.

Chorus Officers

Many practice sessions on Mondays and Thursdays finally result in fine performances by the Senior High Chorus. Skillfully directed by Mr. Howard Willaman, the group prepares programs for the Christmas Pageant and Spring Concert.

In November, our school was again represented at Westmoreland County Chorus, held at Kiski Area Schools. Later in the year, District Chorus, too, found among its ranks a few members of our Senior High Chorus.

In addition to the general chorus, a small group of selected members was organized to sing at special occasions and for the enjoyment of local service clubs.

This year the members of chorus elected as their officers Dick Smith, President; "Chip" Carroll, Vice President; Marian Morgan, Secretary; and Bob Columbus, Treasurer.

Ligonier Senior High Band

Majorettes: Kneeling; Janet Morgan. Standing: Wendy Mohar, Nancy Fulcomer, Beth Roadman, Dixie Friedline, Debbie Roehrig, Pam Mollick.

The Ligonier High School Band, under the direction of Mr. Howard Willaman, was faithful to the extracurricular activities of our school. This year the members had a varied and heavy schedule. During the summer the LHS band attended the Indiana County Fair and several out-of-town parades. The Flax Skutching, Rolling Rock Races, and Fort Ligonier Days were annual events marked on the band calendar. Throughout football season the band entertained the fans with intricate routines and modern music. After the close of football season, everyone began practicing concert selections in preparation for the Christmas Program and the Spring Festival. All the practice and hard work was worthwhile, for the season was a "note" - able success.

The first plans for the yearbook were drawn up during the summer months by the advisor and editors, and as soon as school began, the combined staff started work toward the production of the 1966 MOUNTAINEER. A hardworking group of individuals was needed in order to meet the deadlines which are demanded during the make-up of a yearbook.

From the first planned page to the last typed copy, the editing of the MOUNTAINEER was a year round job, performed by a well co-ordinated team.

One of the highest honors bestowed on any high school student is appointment to the National Honor Society.

Membership is limited to 15% of the senior class, 10% of the junior class, and 5% of the sophomore class. Induction ceremonies for the organization take place every March.

To be considered for this society, one must have a scholastic average of at least 90%. Selection is made by the entire faculty; however, a student is rated by a special faculty committee on the basis of four fundamentals: character, leadership, scholarship, and service.

Once a member, he upholds the ideals of the N.H.S. by encouraging others to seek good scholarship, take part in worthy service, and advance the welfare of the school.

The lighted candle symbolizes knowledge.

Pres.--Hugh Brallier; Vice Pres.--John Sherman; Sec.--Chris Hall; Treas.--Wayne Welmer

The Student Council is an organization whose main purpose is to work for the student body, giving its services in governing the school. The Council is made up of five representatives from each class, four officers, and our A. F. S. student. The group will again this year sponsor the Thanksgiving and Christmas Dances. The members help in the office by reading the daily announcements and planning various assemblies. Under the leadership of Mr. Zebrun, the Council tries its best to live up to its objectives.

Cheering Squad

With blue and white pompons and megaphones our enthusiastic cheerleaders led the student body of L. H. S. in supporting our teams. Head cheerleader, Melanie Ross, and the seven other members of the varsity squad attended every game. They graciously greeted the visiting cheerleaders during half-times.

The Jr. Varsity squad faithfully chanted support for the J. V. teams and helped at home games by selling programs.

Under the supervision and direction of Miss Pricilla Hall, the cheerleaders led more lively pep rallies this year with the "story-corner" skits taken from literature and fairy-tales.

American Field Service

The Ligonier Chapter of the American Field Service was organized in 1963 to promote world peace and understanding.

Our high school has had five exchange students from the Philippines, Belgium, Norway, Chile, and this year, New Zealand. The A.F.S. sponsors two weekends for the exchange students living in the Pittsburgh area. The winter weekend is usually held in February, when two assemblies are presented: one during the day for the students, and the other in the evening for the general public. Friendship shares sold at these assemblies help to finance the next exchange student.

A trip to the Laurel Mountain Ski Slopes, a tour of Fort Ligonier and Rolling Rock, and a party for the A.F.S'ers and their hosts fill the weekend with varied activities. The A.F.S. year officially ends with the annual June picnic held at Idlewild Park.

Library Club

The Library Club is one of the largest organizations at Ligonier High. Its purposes are to further the relationship between the student and the library, to stimulate reading, to improve the school library service, and to promote interest in the career of school librarian. The individual is encouraged to render service to the library, the school, and the community. Under the guidance of Mr. Luskay, the Library Club carries out worthwhile activities.

Tri-Hi-Y

Tri-Hi-Y is a Christian organization which performs charitable work in the surrounding area. The sophomores are sponsored by Miss Hall and the junior-senior group by Miss Seiler. Along with the Hi-Y members, the girls support a Korean orphan. To earn money for this cause, candy and miniature golf tickets were sold.

The sophomores had a successful bake sale on the Diamond during Fort Ligonier Days. At Christmas, they made toys for the children at Latrobe Hospital. The girls were also busy packing baskets for the Old Folks' Home, and making candles and decorations to sell.

Future Homemakers of America

The basic objective of the F. H. A. is to help individuals improve personal, family, and community living. Their creed emphasizes the importance of building homes where truth, love, security and faith are realities, and enables them to face the future with warm courage and high hope.

Under the leadership of Mrs. King and her student teachers, the Ligonier High School chapter of the Future Homemakers of America has completed another successful year.

The F. N. A. is a group of girls who are interested in nursing careers, therapy, lab technology, and other phases of medicine. Meeting bi-weekly in room 100, they learn more about their chosen professions with the help of their advisor, Mrs. Connie Snyder. An outstanding learning experience for these girls was a trip to Latrobe Hospital for a series of lectures and a tour of the hospital.

Secretaries' *Club*

The Secretaries' Club, under the supervision of Miss Semach, was organized to help commercial students gain practical experience in routine office work. The membership is limited to seniors who are enrolled in Typing II, and who are willing to give up a little of their time to aid the teachers in their secretarial work.

Student typists work on tests, records, letters, and class notes. Often they are asked to run off papers on the mimeograph machine. These students are directed in the proper method of typing tests outlines, and records. They are also instructed in the use of several office machines and in the proper method of filling out various kinds of school records.

Art Club

The Art Club is primarily for the student interested in developing his artistic talents in a challenging atmosphere. Headed by Mr. Nevin Weller, the club strives to awaken creativity within its individual members. Last year, in addition to its regular group meetings, the club met after school for oil-painting instruction. These sessions proved so successful that they are being included this year in the Art Club's regular program of activities.

Physical Fitness Club

"1,2,3, exercise!" will be a long-remembered phrase for the boys in Physical Fitness. The club is so large this year it had to be divided into two groups. Under the supervision of Mr. Seiling, the club is open to all boys in the senior high who are interested in building stronger and healthier bodies. The boys achieve their goal through a program of exercises, gymnastics, tumbling, weightlifting, and team games.

Stooges

The girls who are known as the stooges are, in reality, invaluable helpers in the office. They run errands, file schedules and cards, and deliver messages. In the mornings, the stooges gather the individual names of absentees and then distribute the absentee list to each teacher. During the day, they answer, if they can, the questions of the many people who come to the office. These are only a few of the tasks they do to aid Katie and Mrs. Pletcher.

Hall Monitors

As our new school became more familiar to the student body this year, the number of hall monitors was subsequently cut down. Mr. Zebrun, the supervisor, personally selected sixteen people to keep vigil in the corridors of our school. The duties of these students included greeting and directing school visitors to the office, and also preventing students from lingering in the halls between class changes. Our hall monitors willingly perform a very necessary service and have proved to be a great aid to all those in our school.

Hi-Y

The Hi-Y Club is a Christian boys' organization affiliated with the Y.M.C.A. Under the direction of Mr. Urch the members engage in fund raising activities in order to join with the Tri-Hi-Y in providing food and clothing for a Korean orphan. A true Christian spirit is the spur behind the club's desire to serve others.

Varsity "L"

The Varsity "L" consists of boys who have earned a letter in any varsity sport. Under the direction of Mr. Starr, the boys plan activities and programs which promote sportsmanship. They also sponsor the Letterman's Dances, held after different sports events. These dances, along with various other fund raising projects, provide the means for the purchases of trophies and jackets for senior athletes. Their major contribution to the athletic program in the past year has been the installation of a whirlpool bath.

Track Team

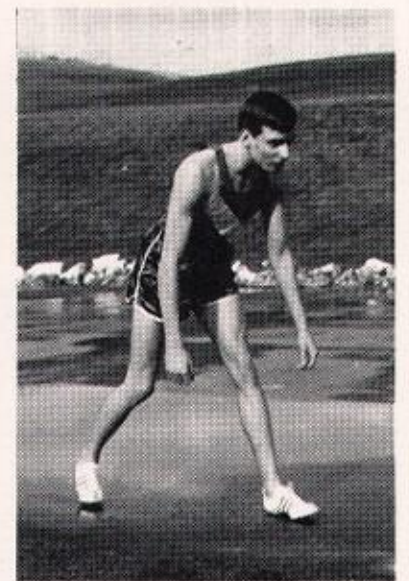

Individual excellence plus concerted team effort added up to an outstanding performance for Ligonier's track team last year. The season was highlighted by our team placing second in the W.P.I.A.L. and by the success of Jack Thiel and Greg Graham in the P.I.A.A. Jack Thiel placed second in the two-mile race, while Greg Graham placed second in the high jump and third in the triple jump. Besides individual achievement, the whole team did well with participants in all events: sprints, distance running, relays, hurdles, broad, high, and triple jumping, and discus and javelin throwing.

From the beginning of March to the end of May you could see many boys swinging their golf clubs trying to improve their golfing skills. These were the boys on the golf team. Ligonier's playing section, 4, during the 1965 season, consisted of such schools as Derry, Latrobe, Jeannette, Hempfield, and Greensburg. All home matches and daily practices were held at Ligonier Country Club. Dan McDonald and Teddy Roehrig represented Ligonier in the W.P.I.A.L. tournament. The boys of the 1966 golf team are looking forward to a successful season with the return of four experienced lettermen.

The traditional May Queen Coronation was held this year in the new Alvin P. Carey Building. Glenda Hankins, the retiring queen, represented the class of 1965. Melanie Ross was chosen to represent the class of 1966 as the reigning queen. There were four attendants from each class, giving the court a total of twelve lovely attendants.

In addition to the Coronation ceremonies, the Elementary School children

presented several song and dance numbers, directed by Miss Marjorie Myers.

Rita Phillippi and Marlene Ashcroft offered vocal selections for the occasion. Miss Phillippi also served as organist for the ceremony. Mr. Nevin Weller, with the help of his stage crew, again provided the decorations as a fitting backdrop to this beautiful pageant.

A.F.S. Weekend

Mr. Gibboney and the adult A.F.S. Committee supervised a most successful A.F.S. Weekend, February 25, 26, 27.

Twenty-four students representing nineteen nations presented two programs. This year they were varied by performances of native songs and dances as well as the customary talks. A dance was held Friday evening so that everyone interested might meet the exchange students.

Saturday morning a trip to Laurel Mountain Slopes proved quite challenging and fun-filled for those who had never skied. Lunch at Red Arrow Lodge and a tour of Fort Ligonier completed the afternoon schedule. The Martin family and Vladi were gracious hosts at a party Saturday evening at their home.

Sunday morning the A.F.S.'ers attended a breakfast sponsored by the Ministerial Association, and church services. After lunch the hosts and their guests met at the school for the guests' return to Pittsburgh.

Most of the students were novices to skiing.

Mrs. Hoon and Mrs. Virgili realize it takes a lot of soup to feed the student body.

Mrs. Whipkey - our indispensable matron.

To insure the smooth functioning of our school plant, we have a number of busy, devoted workers behind the scenes. Early in the morning, the bus drivers transport our students to the school door. In the hours before lunch, busy cooks prepare a nutritious meal. Throughout the school day, our custodians and matron deliver supplies, sweep up, and perform maintenance duties. Even after school hours the work continues so that we might have a pleasant, comfortable day.

"We're going to put this in the yearbook?"

Literary Staff

The junior high section of the yearbook is the result of the efforts of an unusually large group of students this year. It is hoped that some of the pictures will bring back pleasant memories.

"Now that we're through posing let's get some work done."

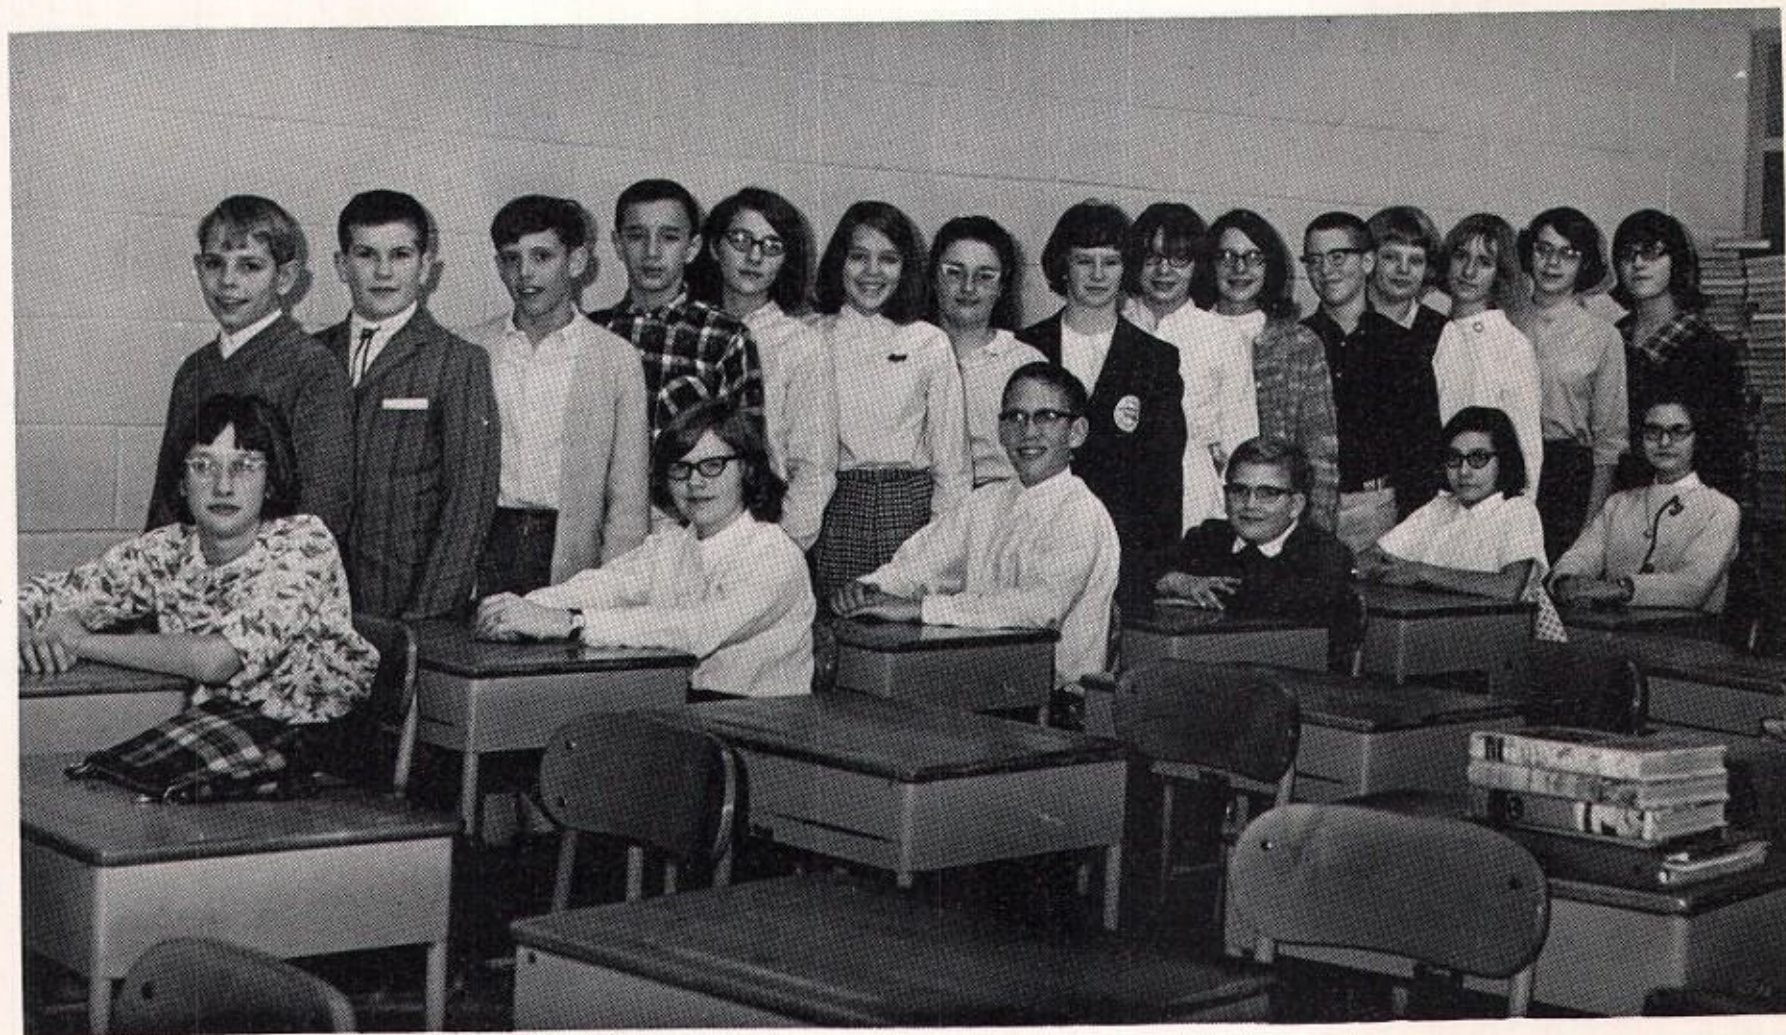

"Patience Kathy, you'll get your subscription"

Business Staff

Under the supervision of Mr. Mauger the business staff did an excellent job of obtaining subscribers for the yearbook. If Mr. Maguire will let go of that money, we will give him his copy of the yearbook.

Junior High Cheerleaders

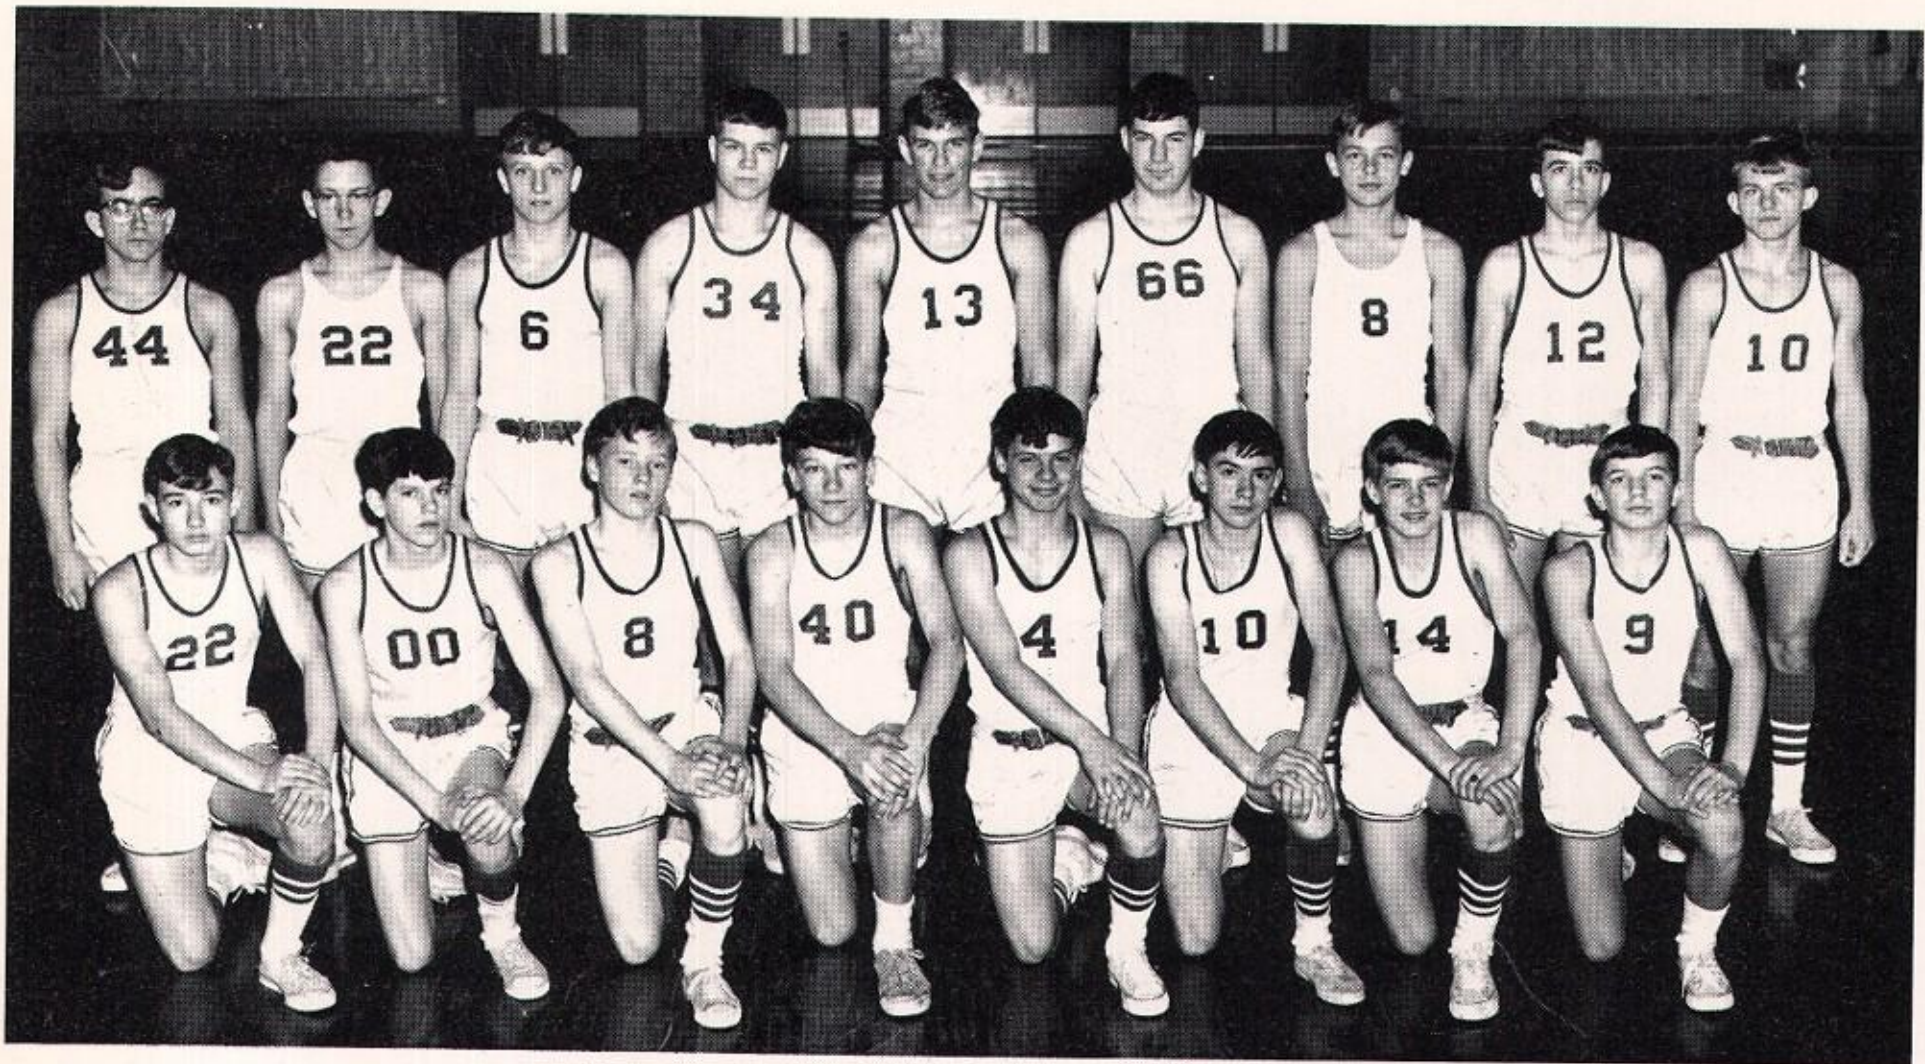

This year our football team was small in size but proved to be powerful even though it was usually outweighed by its opponents. The season started out with a victory over Ramsey. The next game, a defeat at the hands of Latrobe, was disappointing. But at Jenners-Boswell, our team turned out to be an even match for the Bears. The victory in our traditional game with Laurel Valley

helped to bolster our team's morale, but the game with Somerset was another disappointment, for although we were tied in the first half, we couldn't hold them through the second. Although a season of ups and downs, the loyal support of the fans with the energetic assistance of the cheerleaders, encouraged the team to play the best ball possible.

In Memoriam

The untimely death of Mrs. Ethel Peterson, R.N., was felt by everyone. Mrs. Peterson was the school nurse at the Marker Building Junior High School, a position she held since 1959, until her death on October 27, 1965. A former resident of Beaver, Louisiana, and a graduate of Kings Daughters Hospital School of Nursing in Temple, Texas, Mrs. Peterson had been a valley resident for twenty years. Our school will long remember the faithful service rendered by Mrs. Peterson, and her devotion to duty as school nurse.
